Material Sampling Technologies Names Business Development/Sales Manager

North Smithfield, RI – April 11, 2011 – Material Sampling Technologies is pleased to announce that Mr. Dave Wood has joined the company as Business Development & Sales Manager.

Dave comes to MST after a long and successful career at Johnson Matthey in the precious metals refining business, where he spent the last 3 years as a Regional Sales Manager.

In addition, Dave's professional experience includes 11 years as a Superintendent directly involved in the preparation and sampling of precious metal laden material, as well as 5 years as a Commercial Services Manager.

“We are very excited to have Dave join our team,” said John Silvestri, President of MST. “As MST continues to grow, we feel that Dave's experience and integrity will enable him to lead our sales team, and to develop new business prospects for our organization. I am confident that as we move forward, Mr. Wood will be an important contributor as we continually strive to improve the service that we provide to our customers.”
